

IMPORTANCE OF FUEL
EFFICIENCY

HON. TERRI A. SEWELL

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 9, 2012

Ms. SEWELL. Mr. Speaker, I rise today to discuss fuel efficiency, an issue that is near and dear to the heart of all hardworking Americans. As Members of Congress, it is our mission to do all that we can to reduce America's dependence on foreign oil for America's families. We must work hard to create and incentivize ways to produce alternative fuels and reduce gas prices here at home. And we should continue to work with our auto industry to promote the manufacturing of more fuel efficient vehicles right here in America. America's auto industry is hard at work manufacturing and developing the technology to manufacture more fuel efficient vehicles.

My congressional district and the State of Alabama is home to many auto manufacturers and suppliers that are achieving that goal and are even working hard to exceed it. All Americans can contribute to promoting energy independence and environmental sustainability by taking a few simple steps. And as we head into the major summer driving season, it's important to remember that we all can improve fuel efficiency right now.

For example, using cruise control will help drivers maintain a steady speed and save fuel. Studies have shown that tuning your car and keeping tires inflated can increase your fuel economy by 3 or 4%. Driving responsibly and at the speed limit also helps to improve fuel economy.

The EPA's website provides information about fuel efficient driving and there are numerous agencies and organizations that provide information and resources about how to drive more efficiently. Auto manufacturers and associations have also undertaken efforts to increase awareness and educate us all about fuel efficiency, and I support and applaud those efforts.

In closing, I encourage all of us to take the time to learn how to drive more efficiently and maximize our fuel economy. These techniques will save Americans fuel, decrease emissions and help us achieve energy independence.

HONORING KAY A. CALAS

HON. JANICE HAHN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 9, 2012

Ms. HAHN. Mr. Speaker, I rise today to honor the memory of Mrs. Kay A. Calas, who passed away on Monday, June 18, 2012 at the age of 88.

We often hear the term "founding fathers" used to describe the framers of this country. Kay Calas was one of the founding mothers of the City of Carson, California, and as a 29-year member of the Carson City Council, she was truly a legend in her own time.

Kay Calas was not only one of the longest tenured elected officials in Los County's history, she was also one of the most effective and revered council-members of her time. She is credited with helping to shape a thriving city

from what was once a collection of waste dumps, vacant land patches and oil production facilities in the eastern section of Los Angeles County's South Bay region.

The creation of the City of Carson happened during the time that my father, L.A. County Supervisor Kenny Hahn, presided over that previously unincorporated area. My father's great respect for Kay Calas and her husband John, himself a great community leader and former Carson Mayor, stemmed from their shared vision of an ideal city in which people from all walks of life could live and do business harmoniously. That shared vision made Kenny Hahn a John and Kay Calas ally for life.

Once the loftier goal of incorporating Carson had been accomplished, Kay Calas relentlessly pursued her passion: that is the business of serving the people. Kay was always a champion for the senior citizens, and she had a deep love for fine arts. The Carson Symphony Association had a yearly concert for 3,000 school children, and Kay would routinely pay for the buses to bring the children to the event. She spearheaded the effort to extend Del Amo Boulevard over the San Diego (405) Freeway creating an important thoroughway to ease rush hour street traffic in the middle of town. The bridge now bears her name, while a park on East 220th Street in Carson is named after her late husband John Calas.

Above all else, Kay Calas was a public servant of the highest possible integrity. Current Carson Mayor James Dear, who served as Mayor with Mrs. Calas during two of her eight terms in office, described Kay Calas' character as "above reproach".

I extend my deepest condolences to her three surviving sons, Frank, James and Thomas, and Kay's numerous grandchildren and great-grandchildren. Though Kay Calas is no longer with us, her legacy lives on in the lives of her family and in the community that she served so tirelessly throughout her remarkable life.

IN REMEMBRANCE OF LAKEWOOD
CALIFORNIA'S BRUCE DUBOIS

HON. LAURA RICHARDSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 9, 2012

Ms. RICHARDSON. Mr. Speaker, today I rise to honor the memory of one of Lakewood California's most prominent residents, Bruce DuBois. Mr. DuBois was born in my own district in 1935 at Seaside Hospital in Long Beach. He attended school in Compton until transferring to Downey High School. He could not stay away from the 37th district for long, and after enlisting in the Army and serving in France, he returned to attend Compton College.

It was during his time in college where Mr. DuBois met the love of his life and the woman he would spend the next five decades with. Diane DuBois was also a student at Compton College, and after the two met at a party it was only a year until they were married. Mrs. DuBois would later go on to become mayor of Lakewood, always with the proud support of her beloved husband.

While being an avid family man, Mr. DuBois dedicated his life to serving the community. He was very active with the Jaycees, a service group that provides leadership training through community service for adults ages 18-40. He met many of his best friends through this organization.

After retirement Mr. DuBois continued his volunteer work with the organization Meals on Wheels. At least once a week he would deliver meals to his community's shut-ins and elderly. His wife stated that he took great pride in this work, and met many friends along the way.

Mr. DuBois' life can be remembered as full of service to his community, friendship and family. He was a man we could all look to for warmth and kindness, and his presence will be sorely missed. He leaves behind his wife, two daughters, four grandchildren and a sister.
